

THE NEW INDIAN SCHOOL, BAHRAIN

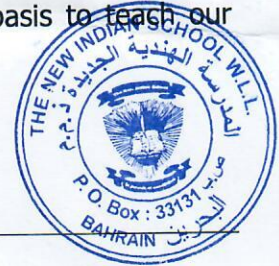

18/ 02 / 2019

Dear parents,

Kindly note that in association with the Ministry of Health & the Ministry of Education, the school will observe "**Hygiene Day**" on **20th February 2019**. This is being observed to inculcate good and clean hygiene habits like brushing the teeth, taking regular bath, trimming the hair and nails, using clean undergarments and to ensure lice-free hair etc. Kindly send your child to the school on this day to learn the importance of building healthy hygienic habits.

These observations on hygiene and health will be continued on a regular basis to teach our students to lead a healthy, disease free life.
