Dear Students,

Greetings!

As the world is going through a challenging COVID-19 pandemonium and anxiety, we wish and pray that you all stay safe and healthy at your home. We continue to pray for your well-being and safety and request you to follow all the guidelines received from the Government of the Kingdom of Bahrain at definite intervals.

We understand that you are in a situation-imposed isolation from all activities now. We urge you to involve in **music, reading, quizzing, drawing and colouring** and other household activities to engage yourself emotionally, aesthetically and spiritually always. Do not let your mind be preoccupied with doubt, fear and nervousness. Keep your mind employed with all kinds of creative activities and thoughts you can manage.

In view of the present situation, the school has decided to engage you in a beneficial competition which will unleash your creative potentials to the fullest and maximum. The school has decided **to modify the School House names from this academic year 2020** and hence, **the students** are requested to **invent new House Names and Logos** for the respective houses of the school (Applicable to grades IX-XII and all those who are interested from grade VI-VIII). Please do design **colorful logos** which suit to the names you may invent for the respective houses.

You are requested to mail the **House Names and Logos** to info@thenewindianschool.org by **Tuesday 31st March 2020**. All entries will be evaluated by a professional panel of judges and the best four will be awarded with attractive prizes by the School Management when the school reopens. The entries which will come to the final round will be given consolation prizes and all entries will receive participation certificates from the school.

Along with this, an Essay **Writing Competition** will be conducted for the students from grade VI- XII on the following topic. You can submit your essay online and the best three essays from each class will be awarded with attractive prizes. The topic for the Essay Writing competition is **'COVID -19, NATURE'S REMEDY TO CHANGE THE WORLD'**. All the entries should be submitted to info@thenewindianschool.org on or before **Sunday 5th April 2020**. The winners will be declared online and the prizes will be awarded in the school after reopening.

I pray for the intervention of Divine Grace to equip you during your necessary covid-imposed home curfew and may God bless you to stay safe during these testing times. We pray for you and family and eagerly waiting for the time to see you all with your smiling faces.

God bless you!

With prayerful regards,

Dr. Jaan M.T Thottumalil

Chairman
