Dear Parents,

Greetings and Ramadan Kareem!

PROMOTION OF THE DETAINED STUDENTS OF GRADE IX AND XI

The School Management has taken into consideration the current economical and financial crisis the parents are facing at the moment due to Covid-19 Pandemic. We are fully aware of the financial strain each parent is going through and taking this present situation into consideration, we have decided to promote all the students who have been detained in grade IX and XI to grade X and XII for the academic year 2020-2021 respectively.

We only expect from the students and parents that the promoted students will take their studies seriously and will perform extremely well in the CBSE BOARD EXAMINATIONS.

The school will make necessary arrangements to ensure that the students will receive support and guidance to participate in the online classes and to catch up with the missed classes.

You are requested to collect the books from the school at the earliest by contacting the school office.

Wishing all the best to the students for a bright future.

Thanking you.

With regards,

Jaan M.T.Thottumalil
Chairman
