## NOTIFICATION

### NEW ADMISSIONS -2022-2023

Dear Parents,

Greetings!

Please be informed that the school has already started the **New Admissions** for the academic year 2022-2023. The school gives preference to the siblings of our own students as a school policy matter. Since seats are limited in all the classes, parents and their relatives interested in taking the admissions are reminded to register their seats at the earliest.

Many thanks for your continued support and cooperation.
