World Book and Copyright Day & Book Donation Drive

Dear Parents & Students,

Greetings of the day!

On the occasion of **World Book and Copyright Day (23 April)**, the school is delighted to celebrate the joy of reading and the value of books through a series of engaging literary activities.

These activities will be conducted tomorrow during the last period for the respective classes:

- Grades 1–3:** Bookmark Making
- Grades 4–5:** Word Hunt from Stories
- Grades 6–8:** Books & Authors Quiz

Students are encouraged to participate enthusiastically and come prepared with the necessary materials. (For Bookmark Making: chart paper, colours, and other decorative items.)

In addition, the school is pleased to launch a **Book Donation Drive for Grades 9 to 12**. Students are invited to contribute well-maintained books, including:

- Study materials (Guides, Question Banks)
- Fiction and Non-fiction books

This initiative aims to promote the spirit of sharing and ensure that the gift of knowledge reaches many more learners.

Let us come together to make this day meaningful—not only by celebrating reading but also by fostering a culture of giving.

Thank you for your continued cooperation and support.

Warm regards,

Principal
