Project:

The New Indian School-Riffa

Subject:

Structural Stability Certificate

Dear Sir,

Reference is made to the above existing building **The New Indian School** at **Riffa** and upon owners request, We, City Engineering, being the design and supervision Consultant for the said project, herein certify that a thorough inspection and survey has been carried out for the main building, for both structural and functional aspects, and found satisfactory, and until the present recorded status, the said building is considered very sound for structural point of view and will continue to perform and serve the purpose as a school for at least 3 coming years without any foreseen problems.

This certificate has been issued upon the owner's request for whatever purpose it may serve.

Thank you.

Yours truly,

Majeed Al Sayed Managing Director CITY ENGINEERING
